

RESEARCH METHODOLOGY - II

MFL 010

ASSIGNMENTS

Jan 2026, July 2026, Jan 2027

Max. Mks – 100

Answer the following questions (Select 3) 650 – 700 words

1. Draft a sample dissertation taking a theme of your choice based around Language Studies.
2. Write in detail what you comprehend by Research Ethics. Why is this becoming increasingly important in modern research? Evaluate the above including recent guidelines on plagiarism and AI.
3. Define the main categories of digital tools used in Language Studies. In your opinion how are they poised to revolutionize existing trends in data management and authenticity?
4. Explain in detail the notion of Creative Commons Licensing and Fair Use. How do these two incorporate freedom of expression as well as free access to information?
