POST GRADUATE DIPLOMA IN DISASTER MANAGEMENT

Dear Student,

As we explained in the Programme Guide for Post Graduate Diploma in Disaster Management, you will have to do one Tutor Marked Assignment (TMA) for each four-credit course.

Each assignment consists of Sections I and II. There are five questions in each section. You have to answer a total of five questions in about 400 words each. You have to attempt at least two questions from each section. You will find that the questions in the assignments are analytical and descriptive so that you can better understand and comprehend the concepts.

Before you attempt the assignments, please read the instructions carefully provided in the Programme Guide. It is important that you write the answers to all the TMA questions in your own words. Your answers should be within the approximate range of the word-limit set for each question. Remember, writing answers to assignment questions will improve your writing skills and prepare you for the term-end examination.

You are to submit the assignments to the Coordinator of your Study Centre. You must obtain a receipt from the Study Centre for the assignments submitted and retain it with you. It is desirable to keep a photocopy of the assignments submitted by you.

Once evaluated, the Study Centre will return the assignments to you. Please insist on this. The Study Centre will send the marks to the IGNOU Regional Centre concerned and the latter shall send it to SE Division at IGNOU, New Delhi.

GUIDELINES FOR DOING ASSIGNMENT

We expect you to answer each question, as per instructions in the assignment.

You will find it useful to keep the following points in mind:

- 1) **Planning:** Read the assignment carefully; go through the Units on which they are based. Make some points regarding each question and then rearrange them in a logical order.
- 2) **Organization:** Be a little selective and analytical before drawing up a rough outline of your answer. Give adequate attention to question's introduction and conclusion.

Make sure that:

- a) The answer is logical and coherent.
 - b) It has clear connections between sentences and paragraphs.
 - c) The presentation is correct in your own expression and style.
- 3) **Presentation:** Once you are satisfied with your answer, you can write down the final version for submission. It is mandatory to write the assignment neatly in your own handwriting. If you so desire, you may underline the points you wish to emphasize. Make sure that the answer is within the stipulated word limit. Do not type the assignments.

**Wishing you all the best,
Programme Coordinator**

MPA-003: Risk Assessment and Vulnerability Analysis
TMA

**Course Code: MPA-
003 Assignment Code:
Asst/TMA/2026**

Marks: 50

This assignment consists of Section-I and Section-II. There are five question sin each Section. You have to answer a total of five questions in about 400 words each. It is necessary to attempt at least two questions from each Section. Each question carries 10 marks.

SECTION-I

- 1) Discuss the concept of risk and bring out its various components.
- 2) Describe various strategies for disaster risk reduction.
- 3) Explain different methods of risk assessment.
- 4) Discuss the participatory risk assessment methods.
- 5) Briefly elucidate the approaches and models of vulnerability analysis

SECTION-II

- 6) ‘Women are more vulnerable to disasters than men’. Elaborate with reasons.
- 7) Examine the causes of droughts and discuss the nature of drought management in India.
- 8) Analyse the important issues in urban planning for effective disaster management.
- 9) ‘Disaster related problems are tackled through various strategies’. Discuss.
- 10) Bring out the significance of post-disaster assistance in disaster management.
